

Features of Assisted Living Apartments and Additional Memory Care Amenities

All the comfort of home

Mountain Plaza is an inviting community made up of two neighborhoods. One neighborhood caters to assisted living and the other to memory care, and it's all nestled in a single-story, smoke-free environment that offers all the comforts of home. It's a welcoming, family-friendly atmosphere where residents are free to make their apartment feel just like home with personal touches, from comforting colors to a favorite chair.

The Features of Assisted Living Apartments Include:

- Spacious one and two-bedroom models for living, enjoying a great book, or just dining, and dozing (private bath per plan)
- Nine-foot ceilings and personal air conditioning/heating controls
- Optional private porch and courtyard access for outdoor strolls (per plan)
- Kitchenette worthy of an afternoon tea or a midnight snack. Includes microwave, sink, and refrigerator
- Large bathroom with comfort-height toilet, walk-in shower, and easy-access doors
- Carefully appointed interior lighting, fixtures, colors, and finishes
- Basic cable and internet wiring
- 24-hour emergency response system with individual pendants

Additional Memory Care Amenities Include:

- Thoughtfully designed atmosphere for the special needs of people with Alzheimer's
- Continuous and calming hallways
- Specially designed closet configurations
- Access to a secured garden courtyard to soak in the outdoors
- Welcoming, personalized apartment entrance
